# TAYLOR DEZII

## PACKAGING DESIGNER

### PROFILE

Taylor Dezii is a graphic designer and creative director with 19 years of experience leading major design projects for top-tier brands like Adidas, Wells Fargo, Verizon, and Target. Specializing in retail production, product packaging, and brand development, Taylor excels in custom packaging design, engineered dieline construction, 3D modeling, and production-ready artwork. His work supports leading brands in emerging industries by delivering scalable packaging systems that meet both creative and manufacturing standards.
